Report of Principal and School Improvement Council

For almost sixty years, Hillcrest High School has been a source of pride for the Simpsonville-Fountain Inn community. Hillcrest is proud of its students and faculty and their accomplishments. Many of our teachers hold masters degrees, masters plus thirty, as well as additional degree certifications such as National Board, Advanced Placement, Gifted and Talented, as well as being selected for state award winners. Our Assistant Principal is the 2013 Assistant Principal of the Year for the state of SC, and a National Top 3 Finalist. This year, our overall End-Of-Course exam pass rate has shown over a 10% increase. Our graduation rate is also improving yearly.

Hillcrest offers a continuum of opportunities for its students beginning with the Freshman Academy for first-year ninth grade students. The Academy continues to hold a Freshman Day prior to the start of school. Approximately 400 of our new ninth grade students attended this event making it a great success. Hillcrest offers a variety of opportunities for student involvement. The Speech and Debate program continues to have district, state and national winners. We also has one of the top athletic programs in the state with 22 varsity and 24 Sub Varsity teams that are consistently some of the top athletic teams in our state, as well as having many students who are college bound athletes. Hillcrest also offers over 21 clubs to keep our students apart of the HHS family.

Our student body in partnership with the community raised nearly \$86,000 in one week in support for Connie Maxwell Children's Home and Washington Center. The Greenhouse Industries program at Hillcrest sponsors plant sales throughout the year, offering student-grown plants and flowers to the public. The program earned over \$20,000 since its inception and is recognized by the state as an exemplary program. Hillcrest's Guidance Department works with students and parents to ensure students' needs are met and that students are on track for graduation. Counselors and Administrators meet annually with students to develop and review each student's Individual Graduation Plan. The Career Development Facilitator provides various opportunities for students to explore their interests and develop their goals. Students have ample opportunity to investigate their interests through many outstanding classes at Hillcrest High. Hillcrest is dedicated to providing a safe and engaging learning environment to create the best future possible for our students.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
